ProTalk®
Business Two-Way Radios

KENWOOD PROTALK RADIO TRADE-IN PROGRAM

JVCKENWOOD USA Corp. now offers a minimum of

$40 OR MORE

per working radio turned in for trade-in

CASH FOR YOUR TRADE-IN RADIOS

- Two-way radios must be in **working condition** and include the battery, antenna, charger and cables. The trade-in radios can be any model and any brand.
- The minimum number of working two-way radios that can be sent in for trade is **eight (8) radios**.
- To qualify for a trade-in, **proof of purchase** of the equivalent number of new KENWOOD LMR and/or BRS two-way radios must accompany your trade-in. For example, if you trade-in 8 radios, you must submit a proof of purchase for 8 new radios in order to qualify for the trade-in offer.
- The **$40 trade-in** payment is sent to you in the form of a check.
- There is **no limit** on the number of trade-in radios that you can submit, if they meet the trade-in criteria.

LIMITED TIME OFFER **EXPIRES MARCH 31, 2027**
