

## Wireless Accessories for *BendixKing* 2-Way Radios

### BTH-550-BK Bluetooth Wireless Speaker Microphone with Charger Cradle

- Wireless Bluetooth Remote Speaker Microphone with rotary volume control
- For use with PRYMEBLU radio adapters, and Bendix King radios with internal Bluetooth
- Great sounding transmit and receive audio using the latest in Bluetooth technology
- Rechargeable battery for up to 40 hours of operation
- Typical operation range: 10 meters
- Built-in 3.5mm earphone jack

#### Accessory Jack

This jack is used to connect an optional, wired listen-only earphone or audio accessory to the speaker microphone for enhanced privacy. Any standard 3.5mm mono or stereo listen-only earphone can be plugged into this jack. Received calls will be heard over the earphone.

This jack can also be used with a 3.5 mm 4-conductor (Apple iPhone compatible) audio accessory that contains both an earphone and a microphone such as Apple part numbers ME186LL/A, or MD827LL/A. (Not included.) When used with such an accessory, received calls can be heard over the accessory earphones and transmit audio will be taken from the accessory mic.

#### Status LEDs

The red and blue LEDs flash messages that let the user know the current status of the speaker microphone.

#### Volume Control/Power Knob

This knob allows you to turn the BTH-550-BK microphone on and off and to adjust the volume of received calls.

#### Microphone

This microphone picks up the user's voice audio when sending a call.

#### Pairing Button

This button is used to place the BTH-550-BK microphone into pairing mode so it can be connected to Bluetooth adapter or two-way radio.

#### PTT Button

This button is used to activate the push-to-talk feature of the 2-way radio.

#### Front Firing Speaker

Received calls are heard over this speaker. The volume level can be controlled using either the Volume/Power Knob buttons on the speaker microphone, or by using the volume controls on the two-way radio or phone.

#### Charge Jack

This mini-USB jack is used to recharge the removable battery of the speaker microphone by connecting the BTH-550-BK to a USB charger or any powered USB source.

#### Replaceable Clothing Clip

The alligator-type clip secures the speaker microphone to the user's clothing during use. The clip can be rotated to allow the microphone to be better positioned.

Optional Cradle Charger  
Part No. P-CHA-DT1

#### Optional Audio Accessories:

The 3.5mm audio jack on the speaker mic will accept any stereo earphone with a 3.5 mm audio plug. You can also use any 3.5mm 4-conductor (Apple iPhone compatible) audio accessory that includes both an earphone and a microphone, such as Apple part numbers ME186LL/A, or MD827LL/A (not included). If the audio accessory has a built-in microphone, transmit audio will be taken from the accessory microphone.
